MESSAGE FROM THE FOUNDER

At RevLaw, we prioritise clarity, quality, and practicality. We believe legal advice should enable informed decision-making, proactive risk management, and effective resolution of issues. Our focus is on building long-term client relationships through consistently high-quality, reliable legal guidance.

We approach every engagement with care, discretion, and a clear understanding of the law—aligned closely with your business objectives—resulting in strong client trust and high retention across all practice areas.

RevLaw is your proactive legal partner focused on preventing disputes before they arise. We manage legal risk early, so your organisation can operate with certainty and confidence.

Our advice is clear, practical, and commercially grounded. We remove the complexity of legal language, delivering direct and reliable guidance aligned with real-world outcomes.

We look beyond legal risk to commercial impact—protecting your interests while supporting business growth and long-term value. With a non-hierarchical, hands-on approach, our senior leaders remain accessible and closely engaged.

In a rapidly evolving business and regulatory landscape, RevLaw is outcome-driven—helping you navigate risk and move forward with clarity.

CLIENT TESTIMONIALS

START-UP SOLUTIONS

"RevLaw supported Fundrev.ai through key legal onboarding, including vendor agreements, MSAs, and privacy policies. They also helped clarify internal business processes and provided a valuable viability check on our startup model.

The team was consistently available and offered practical guidance on early-stage fundraising approaches with angel investors, giving us a useful framework to engage investors with confidence.

Overall, RevLaw's clarity, responsiveness, and structured approach made our experience efficient and reassuring."

— Dhiraj, Founder, Fundrev.ai

CORPORATE SUPPORT

"RevLaw assisted MikeLegal with a pre-litigation strategy that enabled us to resolve a commercial dispute without entering court proceedings. Their team led settlement discussions, drafted settlement documentation, and advised on MSME/MSEFC-related aspects with precision and clarity. Throughout the process, they were responsive, commercially aware, and focused on practical outcomes. RevLaw's approach helped us reach a fair settlement swiftly while minimising disruption to our business."

— Anshul Gupta, Founder & CEO, MikeLegal

ESTATE MANAGEMENT

"RevLaw provided me with comprehensive succession law advisory, procedural guidance, and support with affidavits and document execution. They also handled an end-to-end transmission of securities without a nominee, managing drafting, notarisation, and regulatory compliance with precision.

In addition, the team assisted with a commercial dispute settlement, MSME r, and legal heir documentation, ensuring every step was efficient and compliant. RevLaw's clarity, responsiveness, and attention to detail made a complex process smooth and well-managed."
